Dear Sir:

In May, 1923, and subsequent months, we were in correspondence concerning six medals of the Philippine Constabulary, which, in December, 1923, you very kindly sent to us. At that time, we were in correspondence with Mr. C. H. Bower. We paid \$26.01, Philippine currency, for these medals. We understand that others have been issued - some of a larger size, and, we think, some new ones.

We are anxious to get our series complete, and would very much like to add any specimens which we have not yet in our collection.

I am enclosing the Package Slip of the last consignment, so that you can see just what we already have. We are willing to pay for any you may be able to send which we have not yet in our Cabinet.

Very truly yours,
